WHAT YOU GET

Shiny Sequins

Ribbons for decoration

Multi-color Inkpads

2 Paintbrushes

1 mold for shaping

Clay to make pet's palm

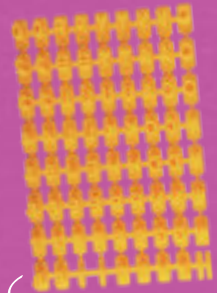

Making hole with the Hole Puncher

Rolling Pin

Letter & Date Set

Use easels to display

1

Take out the clay in the package and knead the clay into a ball with your palm; the best condition is to make the surface of the clay ball smooth and crack-free.

2

Flatten (press) the clay ball with the rolling pin.

3

Use the mold to cut off the excess edges of the clay.

4

Please gently press the pet's palm on the clay. Please note that trim the hair around the pet's palm and wipe the pet's palm in advance to prevent dust or other dirt from affecting the final result.

5

The package contains letter & date set. Use scissors to separate the letters from the set, and then dye the letters with the ink pad. When the clay is not dry and hard, you can decorate your clay with letter molds.

6

Use the hole puncher to create the hole for the ribbons (please not drilling in a rotating manner). Please use the hole puncher to make holes for your pet's palmprint clay (Don't rotate the tube excessively).

7

Put the punched pet clay in a cool and dry place for 3-5 days until it dries and hardens, then you can use a paintbrush and a multi-color inkpads to color your pet's palm print. (Hint: Add a small amount of water to the multi-color inkpads, the clay will be easier to color).

8

Done! Put the finished product on the display easel and decorate it with the ribbon, it will become an excellent decoration for you home!

PAWS PRINT

Your pet is an important part of your family, and one way to show that is with a pet paw print. A paw print is a beautiful and forever keepsake. Your pet will inevitably grow older as time goes on, or you might have had your pet for a short period. In either case, creating a paw print impression of your pet is a great way to obtain a memento that will last a lifetime. It's a perfect way to make sure the memory of your pet lives on for the rest of your life.
