

SAND PAINTING STUDIO

Get ready to bring the beach home with
sand painting arts made by you!

SETTING UP YOUR STUDIO

SAND ART IS A MESSY CRAFT! BEFORE YOU START, TAKE A MOMENT TO PREP YOUR ART SPACE.

- Sand painting is the perfect craft for outdoors. If you can, grab your supplies and step outside!
- Place the drop paper over your table to catch any spilled sand.
- Keep curious pets and babies away from your crafting area.
- When you're done sanding, take the tray to a trash can to pour out the loose sand.
- Last but not least...Don't cry over spilled sand! Use a broom and dustpan to clean up as much sand as you can.
- Then vacuum the area to get any last bits of grit.
